

Professional referral information

A clear route to accommodation and practical support.

Admission is through referrals from Social Services and other professional bodies or organisations.

If you are supporting someone who may benefit from RDF Care CIC, contact our team to discuss accommodation, support needs and the most appropriate next step.

WHO CAN REFER

Social Services

Social workers and Social Services teams can contact us to discuss a referral and the person's support needs.

WHO CAN REFER

Professional bodies and organisations

Healthcare, housing, education, employment, justice and other professional organisations can make contact on behalf of someone they support.

WHAT TO INCLUDE

- The person's accommodation and support needs
- Any relevant risks, preferences or communication needs

- The service or accommodation being considered
- Your professional role and the best way to continue the conversation

TARGET RESPONSE TIMES

1 working day

Target acknowledgement of a new professional referral.

3 working days

Target for an initial pathway discussion once the essential information is received.

THE NEXT STEP

Start a conversation.

We will listen, explain the pathway and confirm what information is needed.
